

White Goods and E-waste Recycle Program for Cranbury Residents Only

Cranbury Township has a program to recycle white goods and e-waste items. These items can be scheduled for curbside service (\$10 fee) or you may bring the item(s) to the DPW yard located at 100 Dey Road only when the Recycle Shed is open. The Recycle Shed is open on the first Friday of the month unless it's a legal holiday, then the shed is open the second Friday of the month. Hours are 9am to 12pm. Deadline to schedule a pick-up is the Monday prior to the second Wednesday.

White goods and e-waste items are defined as, but not limited to, stoves/ovens/range tops, washers, (dish and clothes) dryers, hot water tanks, refrigerators/freezers, humidifiers, dehumidifiers, metal sinks, BBQ grills, stereos, and covered electronic devices (desktop or personal computers, computer monitor, portable computer, TVs sold to consumers, telephones with a video display area greater than 4" diagonally and fax/printers). White goods and e-waste items are scheduled to be picked-up on the second Wednesday of each month. If you want to make an appointment for a curbside pick-up or are uncertain if an item is acceptable or not, call 609-664-3129. The Township hires a licensed and certified vendor to extract the Freon from all applicable appliances.
